OUR MISSION

To unlock the power and purpose within our communities and ourselves to achieve real and lasting success.

OUR VISION

To fuel a courageous national movement to eradicate relational and financial poverty.

OUR CORE VALUES

Born out of the concepts we consistently saw when evaluating what Cara does and why we see results, these are the values that guide us in our decision making as an organization.

Motivation

Motivation propels. We identify, instill, and hold onto it. Where there is a desire to succeed, there is an opportunity to transform thought into action.

Structure

Structure improves. We practice the discipline of operating within a larger framework. When the rules of the game are clear and well understood, creativity and innovation can flourish.

Affirmation

Affirmation reinforces. We celebrate instances of progress, understanding that the journey in the right direction is just as, if not more, important than the final destination.

Intentionality

Intentionality aims. We focus on the endgame during planning and design. In doing so, we build roadmaps to real, lasting success and avoid deriving validation from a quick win.

Community

Community connects. We actively build networks that strengthen us all. If we can get each other, we can serve each other best.

LOGO USAGE

Clearspace

To ensure the legibility of the logo, it must be surrounded with a sufficient amount of clear space at all times.

The clear space minimum is equivalent to the height and width of the “a” in Cara, regardless of the brand logo or size at which the logo is reproduced.

Incorrect Logo Usage

Using the logo in a consistent manner across all applications helps to both establish and reinforce immediate recognition of the Cara brand. The following examples are just a few of the incorrect logo usages.

Color

The full-color version is preferred for all logos. However, when production limitations apply, solid black or solid white versions are allowed.

HOW TO USE THE CARA NAME

“Cara” is the Old Irish word for friend, and our name comes from the idea that when we face a challenge in life, we can overcome it through the power of friendship found in community.

When we launched in 1991, we were The Cara Program. However, as our services, and the entry portals for people to access them, expanded, we re-branded to Cara in 2017 to better represent the diversity of our offerings.

The correct spelling is: Cara

Other acceptable usage: Cara Chicago

Incorrect usage:

The Cara Program – this is no longer a valid name for our organization.

CARA – our name is an Irish translation, not an anagram. This also applies to all entities with the Cara name including Cara Connects, Cara Plus, and Cara Collective.

HOW TO USE THE CLEANSLATE NAME

Don't let the logo fool you. In print or speech, please refer to us simply as Cleanslate. The “by Cara” in the Cleanslate logo is strictly for association with the Cara brand. Do not use “Cleanslate by Cara” in any written or oral capacity.

The correct spelling is: Cleanslate

Incorrect usage:

Clean Slate
CleanSlate
CLEANSLATE
Cleanslate by Cara
