OUR MISSION

Build an inclusive economy by developing employment pathways to advance transformative individual and community success.

OUR VISION

Fuel a courageous national movement to eradicate relational and financial poverty.

OUR CORE VALUES

Born out of the concepts we consistently saw when evaluating what Cara Collective does and why we see results, these are the values that guide us in our decision making as an organization.

Motivation

Motivation propels. We identify, instill, and hold onto it. Where there is a desire to succeed, there is an opportunity to transform thought into action.

Intentionality

Intentionality aims. We focus on the endgame during planning and design. In doing so, we build roadmaps to real, lasting success and avoid deriving validation from a quick win.

Affirmation

Affirmation reinforces. We celebrate instances of progress, understanding that the journey in the right direction is just as, if not more, important than the final destination.

Equity

Equity informs. We commit to taking an antiracist approach in all we do. We leverage our individuality and differences as a way of deepening community and expanding opportunity.

Community

Community connects. We actively build networks that strengthen us all. If we can get each other, we can serve each other best.

LOGO USAGE

Clearspace

To ensure the legibility of the logo, it must be surrounded with a sufficient amount of clear space at all times.

The clear space minimum is equivalent to the height and width of the “a” in Cara, regardless of the brand logo or size at which the logo is reproduced.

Incorrect Logo Usage

Using the logo in a consistent manner across all applications helps to both establish and reinforce immediate recognition of the Cara brand. The following examples are just a few of the incorrect logo usages.

Color

The full-color version is preferred for all logos. However, when production limitations apply, solid black or solid white versions are allowed.

HOW TO USE THE CARA NAME

“Cara” is the Old Irish word for friend, and our name comes from the idea that when we face a challenge in life, we can overcome it through the power of friendship found in community.

When we launched in 1991, we were The Cara Program. However, as our services, and the entry portals for people to access them, expanded, we re-branded to Cara in 2017 to better represent the diversity of our offerings.

The correct spelling is: Cara

Other acceptable usage: Cara Chicago

Incorrect usage:

The Cara Program – this is no longer a valid name for our organization.

CARA – our name is an Irish translation, not an anagram. This also applies to all entities with the Cara name including Cara Connects, Cara Plus, and Cara Collective.

HOW TO USE THE CLEANSLATE NAME

Don’t let the logo fool you. In print or speech, please refer to us simply as Cleanslate. The “by Cara” in the Cleanslate logo is strictly for association with the Cara brand. Do not use “Cleanslate by Cara” in any written or oral capacity.

The correct spelling is: Cleanslate

Incorrect usage:

Clean Slate

CleanSlate

CLEANSLATE

Cleanslate by Cara
